Optional Comments on Reasons for Home Schooling:

Transfer of Permanent Records Because of a Move Between Schools: If you are a new resident to Lake County, please complete the enclosed Request for Transfer of Permanent Records. Please request the student=s records be sent to my office. The permanent record includes your child's immunization records. If your child has been attending the Lake County public school in your district of residence, that school will maintain the student records. However, if you have moved within Lake County to another district, you will need to complete the release form asking that records be sent to your current district of residence. We can mail the completed request, but if you mail it to the new school district, please include an additional copy with your Home School Notification to this office.

We have mailed our former school a Request for Transfer of Permanent Records. Yes No
