

The following information is required in order for you to receive an estimate to renew or to title and register a recently acquired vehicle. All the information listed must be provided. For a renewal, all information required will be on the vehicle registration and/or on the vehicle itself. Please be thorough and precise regarding the vehicle identification number, many numbers and letters can be mistaken for another. For a vehicle you have recently acquired, your dealer, if one was involved, can provide the information required. If there was no dealer involved, you can search the vehicle title or the vehicle itself. Once again, please be very precise with the vehicle identification number.

Information required for a renewal:

- Vehicle year
- Vehicle make and model i.e.: Ford Taurus, Dodge Dakota, and Chevy Venture etc.
- Tonnage (if a pick-up, large truck, cargo van)
- Plate number
- Vehicle identification number (most generally found on the dash near the windshield on the driver side)

Information required for a recently acquired vehicle:
